

About Audrey Johnson

“R.E.A.L. – Realistic Empowering Answers for Life”

Audrey is a successful business owner and a highly sought after personal development expert. She has the ability to “relate” to her clients in an uncanny way. Audrey brings “R.E.A.L.” (Realistic, Empowering, Answers for Life) solution to provide her clients with tangible models to apply to their lives. With years of corporate, retail sales, and customer service experience, Audrey brings a unique and powerful blend so that her clients have a renewed and refreshed sense of self-worth, belief, value, and appreciation.

Every day is an opportunity for personal development. Continuous development leads to greater levels of personal success, leadership, thinking, and wellness. Many women count on Audrey’s R.E.A.L. programs to propel their lives to new platforms.

Audrey has traveled from California to New York, and places in between, working with women to overcome the affects of abuse, grief, and self-esteem challenges. She has a positive impact on the personal development of those she meets. She delivers her message to audiences with compassion, energy, and enthusiasm.

I was pretty much mesmerized by her confidence, content, and presentation. I especially liked her “relate-ability” to everyone... regardless of their age or place in life.
